Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Tuesday 10 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Bright or sunny spells. Scattered showers developing, especially in east.

This Evening and Tonight:
Showers mostly dying out to leave a dry night with some clear periods although rather cloudy in the north and west. Southerly winds freshening along the West Coast by morning.

Wednesday:
Dry, bright morning across eastern Scotland and Northern Isles. Band of rain reaching West Coast later in morning, becoming heavier for short time, extending eastwards during afternoon and evening.

Outlook for Thursday to Saturday:
Mainly dry, bright start to Thursday then rather cloudy, showery weather moving in from the Atlantic with stronger winds. Friday and Saturday will stay rather cloudy, breezy with further showers.
